The Health Scheme Manager must be informed immediately. The animals must be tested at the owner's expense at appropriate intervals until equal status with the flock/herd of destination is reached. In order to remain in the MVA Sheep Health Scheme, an animal which has been in contact with lower category animals cannot be removed from the premises until all the respective testing has been completed and negative results obtained, unless prior permission of the Scheme Manager has been obtained.

The Society's Veterinary Officers are authorised to refuse permission for any animal to be admitted to, or have removed from, the Showground any animals affected with contagious or infectious disease. The exhibitor of such animal may obtain a certificate from the Veterinary Officer, stating the nature of such disease or infection. Prizes will be awarded on the scales shown at the beginning of each entry section.

Prize money will be paid on the day, (with the exception of the Milking Goat classes) Vouchers will be issued with rosettes in the ring and prize money can be collected from the Ice Events cash point located by the Main Ring.

## 29. Protests

Any Exhibitor wishing to lodge a protest having reference to livestock or horses exhibited at the Show must make the same in writing to the Society Office and must deposit a sum of £25. All protests must be delivered at the Society Office on the Showground before 3 pm on the day on which the protest shall have been made, or in the case of an award judged later than that time, then within one hour of the completion of the judging of that section, and no protest will be accepted subsequently unless a satisfactory reason be assigned for the delay. Protests will be considered by the Chief Steward of the Section concerned in consultation with his/her stewards. If the Chief Steward is unable to resolve the protest then he/she will refer the matter to the Society's Appeals Committee. The decision of the Appeals Committee shall be final and if the protest is not substantiated then the deposit will be forfeited. The animal, to which the protest refers, must remain on the Showground until permission to leave has been obtained from the Show Office in writing. The Society reserves the right to refer any objection to any authority or organization to adjudicate, wholly or in part, in respect of an objection, on behalf of the Society.

Exhibitors are forbidden to have any cup or trophy engraved. Any exhibitor who ignores this ruling will be charged a substantial sum to cover the cost of restitution. The Society will not be held responsible for any failure on the part of donors, or others, to produce Cups or Special Prizes offered for competition in the Schedule or Catalogue, nor will the Society accept any liability in respect of the description of Trophies and Special Prizes as printed in the Schedule and Catalogue. The Society reserves the right to prevent any cup or trophy from leaving the Society's premises.

## **Judges**

### **33. Judges**

The Judges are instructed to withhold prizes where the entry is not of sufficient merit and, in awarding prizes, the Judges are instructed to make their awards according to the relative merits of the exhibits for breeding purposes in breed classes. If, in the opinion of the Judges, any animal appears to be unfit for breeding purposes, the Judges shall be at liberty to have the animal examined by one of the Society's Veterinary Surgeons, whose opinion shall be considered to be final and conclusive and, if he/she so directs, the animal will be disqualified from taking a prize which might otherwise be awarded to it. No person other than a Steward or authorised Official of the Society shall enter a ring when judging is in progress, nor shall have any communication with the Judges during the time of judging. The onus of declaring an animal being exhibited in a class judged by a person who has had a financial interest in the animal or which has stood in his stable etc, must be on the exhibitor. The exhibitor will know who is judging from the schedule whereas the Judge will not know which animals are coming before him until he arrives in the ring. If there is an unforeseen change of judge then the exhibitor should stand down from the class and entry fees will be refunded. Every effort will be made to inform exhibitors of a change of judge.

### **36. Parades and judging**

Any exhibitor or employee refusing to bring their exhibits on parade at a specified time when requested by the Stewards to do so, shall be liable to forfeit to the Society any prize money previously awarded to the exhibits in question. ### **43. Banned substances**

The Society does not tolerate the administration of tranquilizers or any other form of drug to Show exhibits, whether entered for competition or demonstration, which may in any way affect the performance of the animal, or have the effect of making it behave in the Show Ring or elsewhere on the Showground in a manner which is not natural. The Society does not tolerate any unfair practices e.g. the gluing of under teats. Any exhibitor, or his representative, who is found to have administered or permitted the administration of tranquilizers or drugs to any Show exhibit will be reported to the Council of the Newark & Nottinghamshire Agricultural Society to be dealt with at its

discretion and the matter will be reported to the appropriate Breed Society or organization which will render the exhibitor liable for disqualification. The Society reserves the right to insist on a drugs test to be carried out by the Society's appointed Veterinary Officer.

#### **44. Stalling of exhibits**

Exhibitors and their employees must see that their exhibits are stalled or penned in the allotted place for them in accordance with their exhibit numbers, and no person shall remove or otherwise deface any notice or exhibit number placed by the Society or its Officers on the stalls or pens, nor shall any exhibit be stalled or penned in the place allotted to another exhibit and no person shall utilise a vacant stall or pen without the consent of the Steward or Chief Steward.

Any exhibitor, whose exhibit is incorrectly stalled or penned, shall forfeit any prizes awarded and shall incur a fine of £20. Exhibitors must ensure that their exhibits are securely penned.
